

There's **more riding** on your tires than you thought.

Keeping your tires properly inflated:

-  Prevents Air Pollution
-  Improves Gas Mileage
-  Prevents Accidents
-  Extends the Life of Your Tires

For more information on how you can protect our air and your health call 1-800-LUNG-USA.

This clean air message
brought to you by:

It all adds up to cleaner air

Ever heard of Preventive Medicine?

Performing regular maintenance on your vehicle:

Prevents Air Pollution

Improves Gas Mileage

Prevents Breakdowns

Extends the Life of Your Vehicle

For more information on how you can protect
our air and your health call 1-800-LUNG-USA.
